SEMICON SEA 2018

SEMICON Southeast Asia 2018 was exhibited in Kuala Lumpur on 22-24 May'18 at the Malaysia International Trade & Exhibition Centre (MITEC) after three consecutive years of being held in Penang.

K-One for the first time took advantage to exhibit in this prestigious electronics manufacturing supply chain event in Southeast Asia with the objective to connect, engage, showcase, seize business opportunities and extend our industry's network.

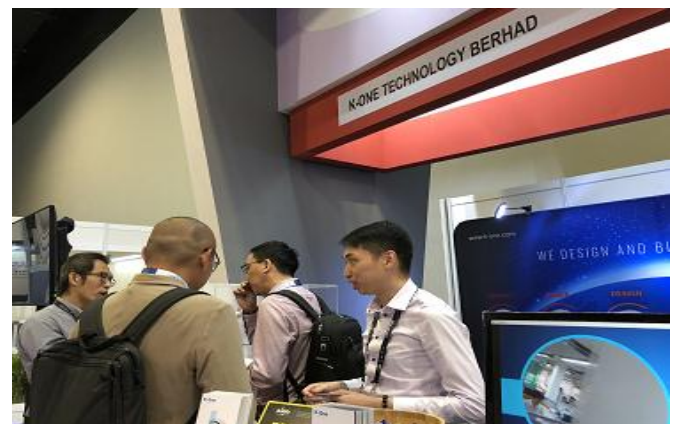

Opening ceremony by Y.Bhg. Datuk Seri J. Jayasiri, Secretary General of the Ministry of International Trade and Industry (MITI), Malaysia.

K-One staff standing in attention and getting ready for visitors.

The three-day event featured three themed pavilions, five global pavilions, inspiring keynote presentations and a host of technology forums to address key issues in the electronics manufacturing supply chain. Other event highlights included business-matching sessions, technical forums, workshops and seminars.

Visitors were curious with our display prototypes.
