Description	Business Operations Update During Movement Control Order (MCO)

Our announcement dated 20 April 2020 with respect to MITI's approval allowing the Company's conduct of business activities during the Movement Control Order (MCO) refers.

The Board of Directors of K-One Technology Bhd ("K-One Tech" or "Company") wishes to inform that it has commenced to ramp up to full capacity its operations, consisting of Research, Design & Development (R,D&D) and manufacturing activities that were granted approvals by the Ministry of International Trade & Industry (MITI) to operate during the MCO period. The preceding is in line with the announcement made by YB Datuk Seri Mohamed Azmin Ali, Senior Minister of MITI on 28 April 2020, advising that business sectors that have been allowed to operate by MITI during MCO can ramp up their operations to full capacity effective 29 April 2020.

The Company will ensure that it abides by the Standard Operating Procedures (SOP) that has been set by MITI and the relevant authorities.

This announcement is dated 30 April 2020.
