Majlis Bandaraya Ipoh & K-One Joint Gotong-Royong Program

On 12 October 2024, K-One and Majlis Bandaraya Ipoh (MBI) co-hosted a gotong-royong event in the neighbourhood of K-One's Ipoh factories and including its factories. The main objective of this event was to improve the cleanliness of its factories and surrounding neighbourhood. With the support and help of MBI, the participants managed to clean up discarded plastics, used bottles, dried leaves and other unwanted wastes. The participants also took the opportunity to unclog the drains. Fogging was also done to eliminate potential breeding grounds for mosquitoes, which will help to reduce the number of cases of dengue in the area.

Captured moments from “gotong-royong”

Despite the rainy season, participants were treated to a bright and sunny morning. A perfect weather for cleanup.

In this corporate social initiative, it is encouraging to witness K-One’s staff unwavering teamwork to clean up the area surrounding K-One’s factories and the vicinity, demonstrating the Group’s commitment to community welfare and environmental stewardship.

The Management of K-One is incredibly grateful to all the committee members who worked tirelessly to ensure the success of this event. It would also like to thank all staff who participated in this event for their hard work and dedication to make our factories and its neighbourhood a cleaner place, “free” from the danger of dengue. This is K-One’s way to contribute towards the environment and the neighbourhood where it operates.

An amazing “gotong-royong” day filled with moments of laughter and teamwork!
